Full-Stack Development Training

PROFILE

Full-stack developer who builds complete web applications with the MERN stack (MongoDB, Express.js, React.js, Node.js). Built five full-stack projects with authentication, REST APIs, and media handling, plus hands-on trainee experience. Now pursuing B.E. in Computer Science & Engineering and looking for a junior full-stack or MERN developer role.

TECHNICAL PROJECTS

LearnLens - AI Learning Roadmap Builder [GitHub link](#)

[React](#) | [Node.js](#) | [Express.js](#) | [MongoDB](#)

- Built a personalized learning platform that generates tailored skill roadmaps and course recommendations.
- Implemented real-time progress tracking and automated resume generation based on completed skills.

E-Commerce Website (Aurelio) [GitHub link](#)

[React](#) | [Express](#) | [MongoDB](#) | [JWT](#) | [Cloudinary](#)

- Developed a full-stack shopping platform with product catalog, cart, secure checkout, and REST APIs.
- Integrated JWT authentication and Cloudinary image management for efficient product media handling.

Job Portal Website (Jobverse) [GitHub link](#)

[React](#) | [Express](#) | [MongoDB](#) | [JWT](#)

- Created a job listing platform supporting employer and candidate roles with streamlined workflows.

Kunbi News - News Publishing Platform [GitHub link](#)

[React](#) | [Express](#) | [MongoDB](#) | [Cloudinary](#)

- Designed a news publishing platform with secure authentication and high-speed media delivery.

Blockchain-Based Secure Voting System [GitHub link](#)

[React](#) | [MongoDB](#) | [MetaMask](#)

- Built a voting web app using MetaMask digital signatures to improve vote integrity and prevent duplicate voting.

WORK EXPERIENCE

Junior Full-Stack Developer (Trainee)

VIP Infotech, Jalgaon, India | June 2025 - September 2025

- Developed full-stack web applications using HTML, CSS, and JavaScript.
- Built and maintained RESTful APIs for dynamic frontend-backend integration.
- Collaborated on software architecture, code debugging, and responsive design enhancements.
